

GIORDANO DANCE CHICAGO

2023-2024 SPONSORSHIP OPPORTUNITIES

Giordano Dance Chicago illuminates beauty and invigorates the world with deep connections.

Through six decades as an artistic leader and innovator, **Giordano Dance Chicago** - America's original jazz dance company and one of the longest-running dance organizations in the world - has contributed greatly to the health and vibrancy of Illinois' performing arts community.

From our origins in founder Gus Giordano's family-run studio to our current incarnation as a professionally run organization, our contributions include: a vast repertoire of more than 180 original works; the mentoring of new and emerging choreographers; the commissioning of innumerable musical scores and production designers; the education of thousands of under-resourced public-school students; the creation of generations of professional dancers; and performances to millions of audience members across the globe.

Stated simply, **Giordano Dance Chicago** offers to all the universal and life-affirming experience of witnessing dance that is **powerful, passionate, elegant, and celebratory.**

Building Meaningful Partnerships

Corporate sponsors embolden our core programs and initiatives, including performances and touring, public school and dance education programs, and special partnerships and commissions with acclaimed choreographers.

Building enduring partnerships is critical to our success. If you would like to discuss your company's goals and work on a custom package, please reach out directly to **Diana Nielander** at diananielander@giordanodance.org or call or text **847-922-3027**.
